“100 Year” Celebration
Kate McClintock and Ellen Maremont Silver shared the proposed logo and were approved.

NAMING “BRICK” DONOR LEVELS
The donor level for the two size of bricks, 4”x8” and 8”x8” was approved, with the Santa Rosa proposed location west of Pioneer Hall. Petaluma’s location is still under review.

PROFESSIONAL DEVELOPMENT MODULAR
The floorplan and the site location at the current structure that will be demolished north of the Button Building was presented and approved.

BASEBALL SCOREBOARD UPDATE
Working with a structural engineer, the installation is complete and fully functional. Facilities Planning & Operation will work with KAD to make sure the advertisements are compliant and meets District standards.

ADDITIONAL MODULAR
A follow-up on the need for additional modulars was provided for different Santa Rosa locations to meet the needs and demands of various upcoming programs, classrooms, and offices.
