COMMITTEE FUNCTION:
College Council is the highest policy recommending body in the District. The Council must involve and utilize the opinion of all constituent groups. Given the Council's position in the governance structure, the specific areas of responsibility can be delineated as follows:

a. College Council is responsible for the review and supervision of all District committee systems.
b. The Council serves as the final "review" body for all policy recommendations emanating from District committees.
c. The Council remains the highest policy articulation group for the District, and therefore must insure that all District constituencies have had adequate participation in the formation of policy issues.

Ad hoc study groups or task forces, with appropriate constituent participation, may be formed by College Council when topics fall outside the range of the existing committee structure or involve multiple constituent groups.
