Item #	Type	LFR Date Change Y/N	CRC/Rep Submitter	Course #	Description	Eff. Date	Discussion/Voting Outcome
1.	REV	YES	D. Fischer	ARCH 27 changed to ARCH 65	<p>3D Modeling with Revit</p> <p>CRC approved revision of ARCH 27 effective for spring 2018 had a technical flaw. It seems there are no UC lower division comparable courses for this course and CRC should have requested a change to the course number from 27 to one that indicates transferability to only the CSU system. Subsequent to the CRC meeting the department has agreed to a course number change from ARCH 27 to ARCH 65.</p>	S2018	<p>W. Burzycki – Yea</p> <p>T. Falbo – Yea</p> <p>A. Foster – Yea</p> <p>G.
