

## Agenda- Equivalency Meeting - October 12, 2018

- Robin and April – report on AAC meeting feedback regarding Procedure 4.3.2bP (especially regarding program initiatives, e.g., apprenticeship program)
- Sarah W. (Maria and Tracy) report on NeoGov interface options
- Review and Discussion of Equivalency Flow Chart (ROUGH DRAFT) – see Google Drive

*I attempted to pull something together as a starting point for discussion. It is only a skeleton. I hope to get to it before tomorrow's meeting to flush out a little more for clarity.*

*This document is meant to direct a candidate to a template and our guide regarding what they should be submitting to support their equivalency application.*
