II. Minutes from meeting on April 1 were approved
III. Old Business
   1. Electrical Stations – Paul Bielen
      Questions for a survey in regards to Electrical Stations were reviewed. The committee then held a discussion, it was thought that “work location” and “full time or part time” questions should be included in the survey. The committee debated whether question 4 – “Would you use an assigned monthly space for charging your vehicle that cost $30 per month?” should be included. Debbie Weatherly made a motion to table question 4, a vote was held and passed 5/4 the motion carried and question 4 has been tabled. This will be revisited at the next meeting in September.
      Paul informed the committee that they are looking at putting in an Electrical Station in Shone Farm through an MTA grant. It will be by charged by the hour and will be on a first come first serve basis. This will be open to the public who will have to purchase parking permits while charging.

IV. New Business
   1. Parking Lot Identification Numbers – this is geared for students and visitors who do not know the campus – it will give them more information in either finding their vehicle or if they are in distress and need to be able to identify where they are, on campus. The numbers will start at 6 as 1-5 are in the Parking Garage this will be included in the map. District Police is not identified on the map it was decided to add them in. A short discussion was held as to what number it should be and also regarding the type and size of signage to be used. The map will be named the Parking Lot Locator.

   2. Emeritus Lot striping changes - Paul provided a parking map of Emeritus and reviewed it with the committee. The proposal that an entire section become faculty/staff only and the same amount be then given to students. A conversation was held as to the flow of the parking lot, Monte Freidig gave some suggestions that came from his Social Science meeting. A discussion was held and at this time it was decided to keep it the same and review it again next year. A discussion was held regarding assigned parking and the survey that was taken last year, it was
decided that Dianne Davis would provide the survey information that was collected to the AFA Executive Council for them to review.

V. Sub-Committee Reports
   a. Carpool – Tony Ichsan - The numbers are going in the right direction, it is a campaign that will continue each year.
   b. New Machines – Matt McCaffrey – A vendor will be starting on Friday to take out the bases and hopefully by the end of June it will be completed.
   c. Identify, Process Information on Parking Transparency – Tara Johnson – No update

VI. Updates – Committee Members
   a. Road/Parking Improvements – Paul Bielen - A question was asked about the gates at Emeritus/Health Science – they have been gone for many years, it was decided to add this to the agenda for our next meeting. Debbie Weatherly is retiring from the committee and this will be her last meeting. She was thanked for her contribution to the committee.

VII. Items for Next Agenda – Gates at Emeritus /Health Science
